In order to establish a methodology for identifying the prevalent non-English languages spoken by enrollees and potential enrollees throughout the State, and in each PIHP entity service area the list below is provided. Each PIHP must provide tag lines in the prevalent non-English languages in its particular service area included in the list below.

You have the right to get this information in a different format, such as audio, Braille, or large font due to special needs or in your language at no additional cost.
